INFORMATION ON RESEARCH DISSEMINATION AWARDS

AWARD: Up to \$500.00

Application deadlines are February 1, October 1, and December 1.

ELIGIBILITY FOR AWARD:

- The purpose of this award is to facilitate research dissemination. Dissemination of information other than research is not eligible. Research is defined for the purpose of this application as an original contribution to nursing knowledge.
- All research presentations are eligible for award, whether the research was conducted as part of an educational endeavor, in conjunction with employment responsibilities, or with private or government funding.
- All applicants must have an active membership in Sigma Theta Tau Alpha Kappa Chapter-at-Large.
- Researchers and co-researchers can only apply once per project.
- Researchers and co-researchers can apply every other year.
- The criteria for application are devised for two types of dissemination awards: poster and podium presentation. The award can be used for conference registration, travel expenses, written handouts, or other expenses related directly to the presentation or poster.

PROCESS:

1. Submit completed application for Research Dissemination Award to Research Committee.
2. Awards will be based on:
 - Quality of abstract
 - Presentation qualifies as research dissemination effort
3. Recipients will be notified of awards and checks will be sent for full amount awarded.
